

Hello, I'm Eslam muammer!

AND I AM A DATA ANALYST

Let's work together!

ABOUT ME

Hello!

- As a data analyst

I aspire to build a distinguished career in the field of data analytics. I have a passion for analysing data and using it to provide insights to help make informed decisions. I have acquired skills in analytical tools such as Excel, Python, Tableau and Power bi, and have become skilled in analysing and presenting data in an efficient and clear manner. I endeavour to leverage to add real value in data-driven work environments and am always looking to develop my skills and gain new experiences.
